Transportation Services

One-day scratch off visitor parking permits may be purchased in bundles of 25 at a rate of \$3.00 each. These permits should only be issued to individuals visiting the University who are not charging a fee or being compensated for their services to The University of Alabama. To acknowledge compliance with this policy, please return this agreement along with an original DTA to Box 870179, or return to the Transportation Services Office at 451 Campus Drive East (Transit Hub).

- Permits should not be issued to vendors, faculty/staff or students of The University of Alabama. Any abuse of this policy will result in forfeiture of rights to purchase permits at this cost.
- Each department must keep a permit log with the permit number, the visitor name, and the purpose of the visit.
- The permit must be validated by scratching the day, month and year and displaying from the rear view mirror of the vehicle.
- Validating multiple dates will deem the permit void and will result in a citation to the user. Permits are valid for one day only.
