Each lot shall be sold complete, as a single item only. Therefore, bids must be submitted for the entire offering as described on the attached "Quotation Sheet" and not on a portion thereof. Under no circumstances will a feature which is an integral part of or an attachment to or peripheral component of the system herein described be separated from its host and sold on an individual item basis. The successful bidder shall be held responsible for payment and removal of this equipment from University premises within two (2) business days, between 8:00 a.m. to 12:00 p.m. and 1:00 p.m. to 5:00 p.m., from date of award notification. If all items are not removed from University of Alabama property and special arrangements, at the discretion of Property & Inventory Management, have not been made, the items will be disposed of at the discretion of Property & Inventory Management. No refund will be made. Failure to comply with these requirements may result in revocation of bid award and subsequent award to an alternate bidder. Failure to comply may also jeopardize the bidder's position on the University's list of responsible bidders, and the opportunity to bid on future sale offerings.

These items shall be sold "AS IS, WHERE IS" in their present location. No warranties whatsoever are inferred or implied. The successful bidder shall assume full responsibility, fiscal and otherwise, for making all arrangements, as may be required, for the de-installation, disassembly, packaging, removal, loading and transportation of the merchandise.
